C.5.4.1 lists the same districts except it includes Mount Pleasant and excludes 14 th Street/Logan Circle. Please clarify whether your interest specifically is in assessing and benchmarking these identified districts, or whether the proposal should discuss a methodology for choosing the districts to study.	<p>The study would need to include the districts listed, but does not need to be limited to these areas. 2	General	Can you provide a list of consulting firms that received this RFP? Our firm, like all firms that pursue RFPs, take considerable time in preparing proposal responses and we carefully choose the RFPs to which we respond. A decision on whether to respond to an RFP includes consideration of the potential for teaming and competition, therefore an awareness of the field of RFP recipients is important on a solicitation that is not publicly advertised.	<p>Streetsense harnold@streetsense.com T: 301.461.8520</p> <p>H.
